**FIXED HEAD SACK CLOSER**

# DS9 FHS

## FIXED HEAD SACK CLOSER

Based on the well proven and durable Newlong DS series sewing heads, the Walthambury Heavy Duty Stitcher provides a high speed, cost effective solution for closing paper, plastic and net bags.

- Integral oil lubrication system.
- Automatic stitch start/stop and pneumatic thread cut off ensuring economic thread usage.
- Suitable for Kraft paper, cotton, hessian, jute, woven cloth, plastic and other bag materials
- Plug and socket for conveyor supply together with foot switch for conveyor/ stitcher stop restart.
- Precise sewing head/conveyor speed synchronisation by an adjustable pulley between sewing head and motor.
- Cast and fabricated steel construction for the heaviest duty use.
- 750 watt motor for high speed effortless stitching.
- Fully compatible with Morray 850 or 855 stitcher automator.
- Sewing head swivels through 90 for ease of threading and service.
- Spare needles, tool kit, mains plug and comprehensive instruction manual and parts list included.

### Optional Extras

- Crepe tape attachment with DS-C & DS-9 sewing head.
- Wide range of conveyors and automated sealing systems.
- Pillar adaptor kit for Fischbein or Union Special heavy duty sewing heads

### After Sales Service

Fast on site service by factory trained engineers coupled with extensive stocks of competitively priced spare parts guarantees maximum productivity and protects the customer's investment.
